

Pennsylvania Association of Psychiatric Rehabilitation Services

**We have a lot of things going on
this year at the Conference and
do want you to miss a thing!!**

Come Share Your Recollections about PAPRS!

We are very interested in documenting PAPRS's history and would like to invite all of you to the hospitality room following the Tuesday April 16th 5:00pm Board Meeting, to share some of your memories and recollections for our early days. Keep your eye on the Conference Packet for more details.

Wednesday April 17th 6pm

If you are a new individual or organizational member to PAPRS, please join us for our
**New Member Reception
in the Hospitality Room.**

Refreshments, good conversations and fun awaits, along with a New Members Only basket that you could win.
We Look Forward to Seeing You!

Do you provide psych rehab services in rural Pennsylvania? Are transportation options limited in your area? Do individuals you work with fear losing their benefits? Or are employment opportunities for individuals you support challenging to locate due to the rural location?

Come join Board Member Gwen DeYoung on Wednesday April 17th from 4:45-5:30pm, in Room 204 for a problem solving open discussion about these challenges and ways people have identified to creatively solve these issues.

SLIDESOME IS COMING!!

#PAPRS2019

**GET YOUR SOCIAL MEDIA
READY FOR THIS YEAR'S
CONFERENCE!**

Don't Forget...

To check your Welcome Packet for a petition letter we have put together to support Psych Rehab Services going "In Plan" with CMS... THEN, come to the Registration Desk to sign the Petition... and help us make step to secure the payment for our services.
